INTRODUCTION

With its strategic location near Gulabi Bagh in North Delhi, Lilawati Vidya Mandir, Shakti Nagar, presents a rare combination of the past and present cultures.

Founded in 1974 by Late Lala Jagan Nath Ji, a philanthropist, after the name of his mother, the School is a model of insightful and resolute practicality on the part of the Founder.

The School has a vast campus having lush green lawns and large playgrounds inside it. The campus is absolutely protected for complete security and safety of the children.

For its Pre-Primary classes, the School has large playrooms having the finest educational material based on scientific methods. The idea mooted by the great educationist 'Maria Montessori' is followed in this Department, which states that 'the best way of educating a child is to make him/her learn by his/her own attitude and work'.
