CBSE'S SERIOUS ADVISORY REGARDING ATTENDANCE OF CLASS X & XII STUDENTS

Dear Parent

Your kind attention is hereby drawn to the recent Advisory issued by the CBSE with regard to attendance rules for students of Classes X and XII who are to appear at the Board's Examination-2020, i.e., at the end of current academic session.

In fact, Boards advisory is a stern warning for such students who do not attend School regularly.

Please note henceforth your ward shall NOT be eligible for appearing at the Board's Examinations for Class X/XII if his/her attendance is below prescribed limit as on 01 January 2020.

Further, Medical Certificates issued only by a Govt. Hospital will be considered in genuine cases.

Since henceforth School will not be in a position to condone any shortfall of attendance, you are hereby sincerely advised to take this matter in right earnest and to keep a check on your ward to avoid any unpleasant repercussion later.

With kind regards

Sincerely

Sushma Khurana
Principal
