Dear Parents

With this vision in mind, we are thrilled to celebrate **Bagless Day IV: Future-Ready Kids** —for **Classes VI & VIII**, on **Thursday, November 14th, 2024**, cultivating confident communicators and compassionate global citizens. In our endeavour to empower young minds and prepare them for the future, we continuously strive to offer them limitless opportunities. Since we believe that language is the essence of the soul, nurturing children in every facet of their development, let's unleash their linguistic potential through the below-mentioned activities :

Activities

Flick Fix Trivia - Quiz Based on Movie
Memories and Morsels – Party Lunch with Friends
Language Labyrinth (Class-VI) – Word Chain and Word Scramble
Brush with Genius (Class-VIII) – Mural Making

The details of the activities will soon be shared by the Class Teachers. You are requested to ensure that students must attend the Bagless Day- IV to engage in interactive learning activities, students need to carry only the School Almanac and the required material for the various activities with a scrumptious party lunch.

Let's make learning fun!
